Jump Start Program

Jump Start is designed to teach skating skills at a faster pace, in a small group environment. The 8:15am class is limited to 12 skaters and the 1:15pm class is limited to 10 skaters. It's a great way to begin the transition from basic skills to figure skating programs and freestyle ice. Not only does it help skaters learn, but there will also be information for parents.

Participants are introduced to the various disciplines of skating, as well as information about: attire, etiquette, ice utilization, good practice habits, USFS testing, competitive structure, and when to select a private coach.

*****For best results, it is highly recommended that this class be taken in addition to GROUP LESSONS or PRIVATE LESSONS*****

What's Included?

- 7, 1 hour lessons
- Parent information through emails
- Rental skates if needed
- 2, 30 minute freestyle ice passes for skaters to practice if Basic 5 and up. If a skater is below Basic 5, they will be given 2 public skate passes to practice.
